

## A Weekend Update from Holland Moor- Saturday June 5th

### Welcome and some technical information.

Welcome to Newsletter - number 37 of the current school year. All previous newsletters can be found on our school website [www.holland.lancsnqfl.ac.uk](http://www.holland.lancsnqfl.ac.uk)

Please remember that if gobbledygook appears scroll to the end of the email to find - view entire message. Click on this and the whole email reappears and is fully readable. If the email is opened on the gmail app it cuts off but is fully readable on gmail via their webmail.

### COVID 19 – an update

Over the next few weeks we are going to continue to apply our COVID safety features in exactly the same way as before the half-term break. There will be absolutely no changes yet to any of our procedures. I'll wait until we get clearer guidance from the government about any modifications to regulations or legislation and then brief all families accordingly. I will always want us to stay as safe as we possibly can.

### Attendance

Here's hoping for an excellent few weeks as we try to make up for the low attendance figures recorded during the last couple of weeks before half-term

### A message from our Sponsor.

I hope everyone is enjoying the beautiful weather we've been experiencing lately. Our gardeners have been working hard and the donated bedding plants are looking stunning near the main entrance. An electrician has set up our new charging port in the computer suite so our many ipads and chrome books are always ready for use. I look forward to seeing everyone on Monday.

### School Reports

# School Reports

We'll be issuing full school reports in early July. This year we are reverting to giving information about each subject area which so many parents/carers seem to prefer. I'll be writing in more detail to Y6 parents about the content of the reports for their children, as with no SATs this year we'll be writing to a greater extent about individual attainment and giving more detailed teacher assessments.

## Our PSHE Curriculum including Relationships and Sex Education lessons

I'll be writing separately to all Y6 parents about the contents of our Science, Health Education, P.S.H.E. and Sex and Relationships lessons for this term. The letter will give information about teaching materials and include an invitation to a Zoom meeting. I'll also post a copy of the letter on the website so all year-group parents and carers can keep fully informed if they wish. I'll include information about a Zoom meeting for all parents / carers in a later newsletter.

## The Year Six School Play

It's been great recently to hear our wonderful Y6 actors/singers beginning to rehearse for their very special school play. The play contains some very catchy numbers and many are haunting me already. I'll let everyone know how and when they will be able to view the plays very soon.

## School Photographs

We have booked in June 24 as school photograph day. More information to follow. The Year 6 children visiting UpHolland High School on this day will be offered an alternative date for their photograph.

## Term Dates – Summer Term

Monday June 07	School Opens
Monday June 07	Start of Zones of Regulation Week
Monday June 21	We celebrate World Music Day
Monday June 28	Start of Science Week
Thursday June 24	Photograph Day
Wednesday July 07	School Geography Day – Featuring Earth Shattering Events
Monday July 12	Start of Etymology and Morphology Week
Friday July 16	School Closes for the Summer Holiday
Thursday September 02	School Opens for New School Year

## Zones of Regulation

The **ZONES** of Regulation®

Over the past twelve months or so we have completed a lot of work in school around the Zones of Regulation and this week we are revisiting the themes and working alongside our very special Zorm character. We use Zones of Regulation activities as a self-regulation tool to help children identify, address, and use strategies to achieve self-control and emotional regulation in a non-judgmental and safe way. There's lots more information on the website.

## Sports Events at Holland Moor

## Forthcoming matches

More to be announced soon including on June 16 school teams to the Liverpool Football Club Foundations PL Primary Stars football tournament.

## Sports Days at Holland Moor

I now include an alternative date in case the first sports event has to be postponed.
