### COVID 19

I send my ongoing thanks to parents, carers and staff for their continued vigilance with all our COVID safety procedures. We are certainly getting mixed messages about the way forward with bubbles and isolation periods but I shall continue to study every piece of advice and guidance very carefully and share my thoughts, responses and decisions rapidly and widely.

### Sports Days

Our Sports Days have been amazingly successful so far. Each class has participated with such enthusiasm and the teams have been so supportive of each other. Many thanks, of course, to our sports staff for organising so many memorable events.

### A Message From Our Sponsor.

I've had much to be thankful for this week – wonderful sports days, successful sporting and chess events, a very positive curriculum information evening with parents/carers from Year 5 and Year 6 and the chance to read the first school reports that we'll be sending out soon.

### School Reports

# School Reports

I read all the school reports in both an ongoing and final form to ensure they are informative and easy to understand. This year once a class set is complete we will distribute them immediately, rather than wait for a set day for the whole school. If you have more than one child with us, this may mean you get their reports on different days.

### Summer Term Raffle

Prizes include

Summer Hamper 1, Summer Hamper 2, Remote Control Toys, A teapot set, Assorted cosmetics, a toy dinosaur, gin glasses, mystery bags and a £25 Amazon Voucher

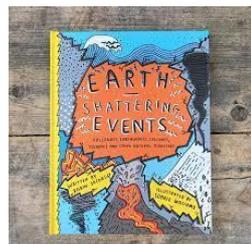

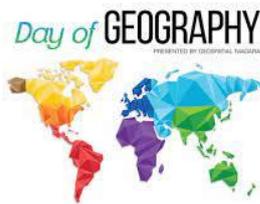

Raffle tickets can be ordered and paid for on ParentPay or purchased directly from the school office. Each ticket costs 20p. **Raffle to be drawn on Wednesday July 14<sup>th</sup>.**

### School Uniform

Order forms can be collected from the school office or downloaded from the school website, If you would like an order form sent home with your child please phone the school office on 01695 725062.

### Mr Beale's Highlight of the Week

Our outside chess congress with St Thomas the Martyr school was a fabulous event. All the matches were played outside in beautiful weather, in the area between the reception classes and our year five base. Everyone clearly enjoyed the opportunity. Given good weather there's no reason why we can't develop more events in the open air. We are, for example, planning some orienteering competitions for the new school year.

### SCART Club at Lancashire Libraries – Summer 2021

The Lancashire Library service is organising a summer reading offer in their libraries. It's called SCART Club. SCART Club is their in-house designed and developed summer reading programme that encourages children to participate in a number of activities over the summer, all underpinned by a principle of promoting reading for pleasure. SCART has been designed to engage children towards fun activities, and rewards them with fantastic prizes for their successes

This year the SCART programme allows children to participate online, in libraries, and at some special events around the county. Look out for more information in the coming weeks on their Facebook and Twitter pages (@LancsLibraries).

The library service has put together a very short introductory video explaining the summer scheme.
