

Holland Moor Primary School

Reading at Home

As things are a little different at the moment, we will be making some changes to home-school reading.

Please send your child's book bag in to school every **Friday**. It will then be left in school over the weekend and on **Monday** your child will receive a new reading book. They will then bring this book home and keep it at home until **Friday**.

Reading books will only be changed once a week each Monday. Please do not send book bags into school on any other day than a Friday.

This will not affect how many times your child reads in school; they will still read regularly 1:1 with an adult and they will also practise their reading skills during our daily phonics lessons. We will also be making use of the Oxford Reading Owl site on the computer.

Please try to read a few times with your child during the week; your time is very much appreciated and reading together will really help your child progress.

Thanks for your continued support

Reception and KS1 teams.
