Attendance

Our overall attendance for the week was 95.5%

A message from our Sponsor.

It's been great to see so many children attending our after-school clubs. On Monday I was able to move between the Year 5/6 football match and the KS1 Irish dancing club. The dancing club was very well attended and everyone, including the many adults there were having great fun. There was

fantastic attendance at our Thursday clubs. It was great to be outside with so many children attending KS1 football club, netball club and choir. Our outside choir works well and we are going to try outside chess very soon.

National Schools' Football Week

To celebrate National Schools' Football Week we are going to hold a staff v parent/carers football match. This will take place on Monday May 24th starting at 4.30pm. Anyone interested in taking part should contact the school office and leave a message for Mr Edwards. We still have a few places left.

Staff/Parent Netball Match

As long as the staff v parent football match is successful and my staff come out of the fixture relatively unscathed, we will organise some similar events. The second such match will be a game of netball.

Year Five Leaders

I've been very impressed with the year five children who have signed up to train on our leadership course. I saw some brilliant referees this week.

Time Capsule

We are taking part in the local project that sees a time capsule developed that will be full of items that will mark the local experience of and response to COVID 19

Consultation Afternoons and Evenings

CONSULTATION

We will be holding consultation evenings during the week beginning May 17th. We emailed full details out yesterday. We will follow the same format as the Autumn term using video and telephone technology.

Class of the Week – This week it's Class 3D

3D have been learning about rivers and erosion in Geography. This week, they practised and performed a poem all about the different types of erosion that occurs in rivers. The poem was written by a geography superhero named Eddie Erosion. The class worked in teams to perform different parts of the poem and project their voices!
