

<p>When should my child self-isolate or miss school?</p> 	 NO	<ul style="list-style-type: none"> • All children MUST attend school unless they are ill. • From 16th August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household or a contact, has Covid. • Instead, they will need to book a PRC test but can continue coming to school so long as they have no symptoms and the test result is negative.
	 YES	<ul style="list-style-type: none"> • If your child develops Covid symptoms at home, they should <u>stay at home</u> and should book a PRC test), NOT a Lateral Flow test. • If your child develops Covid symptoms at school, they will be sent home and you should book them a PRC test. • If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated – but instead should book a PRC test.

Community Covid Risk	Description	Actions
 <p>Low Community Transmission. No School Cases.</p>	<ul style="list-style-type: none"> • There have been no cases of Covid within school for 10 school days. • Cases of Covid locally are low and/ or stable. • Hospitalisation/ Deaths due to Covid nationally are low. 	<p>No Covid measures are necessary beyond:</p> <ul style="list-style-type: none"> • Reminding children of good hand-hygiene. • Ensuring good ventilation encouraged where practical. • Ensuring Children / Staff to stay at home if they have Covid Symptoms (and to book a PCR test). <p>Staff will continue to test themselves using Lateral flow tests until the end of September.</p>
 <p>Rapidly Rising Community Transmission</p>	<ul style="list-style-type: none"> • No current Covid cases have been recorded at school, but... • Cases of Covid are rising rapidly in the community causing disruption to other local schools. • Lancashire Public Health / Public Health England issue warnings of expected local/ national infection wave. 	<ul style="list-style-type: none"> • Ventilation of classrooms increased & hand-washing supervised. • Large indoor public performance audience numbers reduced. • Staff-room capacity is reduced. • Whole-school assemblies are replaced with Key Stage assemblies. • Clinically Vulnerable staff meet with Line-Managers to review their individual risk assessment & discuss additional protection (e.g. use of face coverings, reduction in movement between classes/ groups).

Number of Cases:	Description:	Actions:
 <p data-bbox="199 533 429 595">A single child tests Positive</p>	<ul style="list-style-type: none"> • A single child tests positive for Covid in a class. • No other groups are affected. 	<ul style="list-style-type: none"> • The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it. • The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts. • Likely contacts will be contacted by NHS Track & Trace and advised to book at PRC Test. The school will contact parents to advise this if close contacts are known. • Children do not need to miss school or self-isolate whilst they wait for the result of the PRC test unless they have Covid Symptoms.
 <p data-bbox="188 1070 424 1283">There are 5 positive cases amongst pupils or staff who are likely to have mixed closely within a 10 day period</p> <p data-bbox="188 1305 424 1485">10% of pupils or staff who are likely to have mixed closely test positive within a 10-day period</p> <p data-bbox="188 1507 424 1603">This is affected by how we group the children.</p>	<ul style="list-style-type: none"> • The following could mean that Covid is spreading within a group of children and associated adults. • There have been 5 positive cases amongst pupils or staff who are likely to have mixed closely within a 10 day period • 10% of pupils or staff who are likely to have mixed closely test positive within a 10-day period 	<ul style="list-style-type: none"> • As above for each positive cases. • The school will discuss the outbreak with DFE/Lancashire Public Health and agree strengthening protective measures <u>for 10 school days</u>, including: <ul style="list-style-type: none"> ○ Re-introducing staff face masks for corridors & communal areas. ○ Adapting, Limiting or postponing indoor sporting events, trips, open days and performances. ○ Using only video-link Assemblies in classrooms. ○ Reducing the amount of classes staff work across. ○ Resuming twice-weekly Staff Lateral flow testing.
 <p data-bbox="188 1892 424 2027">Covid cases continue to increase rapidly within a 10 day period.</p>	<ul style="list-style-type: none"> • Despite the measures indicated above, Covid cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school. 	<ul style="list-style-type: none"> • Incident Management Team meeting held between the school and Lancashire Public Health to agree further measures, <u>for a further 10 school days</u>, including: <ul style="list-style-type: none"> ○ Re-introducing class bubbles . ○ Reverting to class-based school lunches. ○ Limiting all non-essential visitors to school. ○ Postponing all non-essential events.

- **Re-introducing remote learning for individual classes for 10 school days considered.**

The school will inform parents of any changes to Covid measures should these be needed.
