

A Weekend Update from Holland Moor-September 24 2022

Welcome and some technical information

Welcome to Newsletter - number 05 of the current school year. All previous newsletters can be found on our school website www.holland.lancsnqfl.ac.uk

A Message from Our Sponsor

At Holland Moor, we remain determined to offer the children a beautiful learning environment and I often draw this to your attention. Once again, we've had close to 1600 plants donated to school in the last week and I'm sure we can all appreciate their beauty in the beds around the school entrance and KS2 play areas. Thanks to providers and planters.

Opening of the Holland Moor Nurture Hub

We have used some available space in school to set up this wonderful new facility that is being accessed in a very flexible way. It's a space where children can be offered many extra opportunities including additional learning support, small group teaching, precision teaching or even a calm space to relax and practise specific skills. I'll write more about the facility and how it develops in future newsletters. You can probably tell I'm very excited about its potential.

Mr Beale's Highlight of the Week

It was superb to see so many parents and carers at our Welcome to the Reception Class event held in school last Wednesday. Staff covered topics such as phonics, continuous provision, daily routines and the learning map for the year. A great event, very well received.

Pupil Highlights of the Week

Highlights
of the week

Michael (5E) enjoyed using the column method in mathematics
Pietro (4J) was proud of his charcoal dragon with fiery flames
Layla and Darcy (3D) loved singing the school September song – Earth Day
Savannah (3M) was thrilled by her successful synchronised sequence in P.E.
Cezary (6M) appreciated the classical music he listened to in the Charanga lesson

Class of the Week. This week it's Class 5-6B

Class 5/6B had an amazing week, completing lots of learning and making excellent progress. During mathematics they put their times tables knowledge to the test by finding missing numbers, calculating the value of 'n' and balancing equations involving multiplication. They showed true grit and determination to achieve. Every day the children re-entered the classroom keen to continue their mathematics to progress even further! They were also amazing musicians this week, able to play the glockenspiels with incredible accuracy, in perfect rhythm and in a whole class orchestra. The sound echoing throughout the corridors was truly beautiful!

Book Trust

We obtained some fabulous free packs from the Book Trust to distribute to all our nursery children. The packs contain books, activity sheets and accompanying guidance notes. We are getting very good at obtaining a range of such materials for our different age-groups.

Our Ninja Words of the Week

Our words this week are beckon, genius, hitch, retaliate and shed. I tested Class 3-4T in assembly on the week four words and they scored full marks.

PE Kits

Unfortunately, there are many children who do not have a suitable kit for their PE or Games lessons. If this occurs next week, we'll text families as a reminder. When we've done this in the past, we often find that the kit was in school all the time.

Flu Vaccines

Our school date is confirmed as Monday October 10

Energy Monitors

We now have brand new energy monitors in each class. It is their responsibility to turn off the lights, projectors etc. when they are not needed or when the room is empty. Last term we made significant savings due to the diligence and determination of the energy team. I hope this new team do as well!

School Councillors

Each KS2 class now has their own school councillor – ten councillors in total. The council will meet for the first time this week and we'll elect a secretary who can provide some written feedback for the next newsletter. Two of the councillors will also represent Holland Moor in the Skelmersdale Pupil Parliament.

School Clubs

Art club begins on Monday with Mrs Knowles. We are starting with Year 4 and Year 5 and the club ends at 3.45. Collection from the green mile entrance/exit.

We had to cancel Y1 and Y2 Football club on Thursday due to the rain. From now on we'll never cancel this club as choir can move and football club can use the hall.

Mr Cooke will now be running his Construction Club on a Friday instead of Thursday.

Attendance / Punctuality - Lateness

Unfortunately, our attendance is still below national expectations at 94.1%. General attendance is good but holiday absence remains high.

Sports Events at Holland Moor

Results and Reports

On Tuesday the Year 5/6 Holland Moor football team progressed into the Champions League finals. The boys showed excellent teamwork and played fantastic football against very competitive teams. A highlight was their first match against Woodland, which they won on penalties. The team eventually lost in the semi-finals. Overall, they finished 3rd in the tournament. The team also played in their first ever West Lancashire sports tournament. The boys played four games, winning two games and drawing two games. They showed great determination to battle through all their games and played some wonderful football. The Holland Moor team are looking forward to continuing in the competition next week.

Forthcoming Sports Events

- September 26 – Girls' football team v St Thomas
- September 29 – West Lancashire football matches – Year 5 and Year 6
- October 04 – SHARES Year 3 and Year 4 Football Tournament
- October 13 – Netball League
- October 20 – Netball League
