Welcome and some technical information

Welcome to Newsletter - number 27 of the current school year. All previous newsletters can be found on our school website www.holland.lancsnafl.ac.uk

A Message from Our Sponsor

It was great to see so many parents/carers in school this week attending our consultation evenings. Thanks as well, to those who attended the meetings remotely. Many visitors complimented staff on the art work displayed in the many circulation areas around school. This half-term we have studied how different artists have depicted trees in their pieces, with a focus on the use of colour. I agree with our visitors – the results are stunning.

Mr Beale's Highlight of the Week

I have spent many hours in classrooms this week witnessing some marvellous mathematics in 3D and 1R, some exciting English in 4C and some scintillating subtraction in 2O. I am always so impressed with the focus and determination to succeed that our children show, and the progress made in each lesson. Presentation in books is particularly good this year and the old-fashioned skill of precise handwriting is a joy to observe.

Pupil Parliamentarians Visit the Mayor's Chamber

Many thanks to Nathan Berkely and Xander Baxter who represented Holland Moor so well In Ormskirk on Monday. Our representatives met the mayor in her chamber and got to ask her questions about her role and responsibilities. They also toured the wider council facilities.

World Book Day 2023-A brilliant Holland Moor event.

Nursery 2 celebrated World Book Day with the wonderful picture book *Little Red* by Bethan Woollvin, a fabulous take on the story of Little Red Riding Hood. The children drew pictures of Little Red and the wolf. They role-played the story using fabric sheets as improvised costumes, using their turn taking skills and made models of the wolf. Outside the children played the game – What’s the time Mr Wolf! For snack, they, of course, ate the delicious cakes Little Red was delivering to Grandma’s house.

Our Reception children also enjoyed reading 'Little Red' by Bethan Woollvin and were surprised to read that Little Red Riding Hood tricked the wolf. They spoke about alternative endings and discussed different versions of the story. Along with Little Red themed songs and yoga, the children created a wolf mask and in maths, measured the different objects that Red carried in her basket.

Year 1 and Year 2 activities were based on the story "Ten Delicious Teachers" by Ross Montgomery. The novel is about ten very foolish teachers that have missed the last bus home and decide to take a shortcut through the forest, unaware that there is a hungry horde of mischievous monsters waiting! The children created new front covers, maps for the teachers to follow and some children even wrote new versions of the story. On Friday the children enjoyed listening to one of our favourite stories "Would You Like a Banana" read live by the author and illustrator Yasmeen Ismail.

The stunning story, 'Paradise Sands' by Levi Pinfold was the focus of activities completed in Year three and Year four. The children competed several of their favourite TWR activities to gain a deeper understanding of the book. They demonstrated superb observation skills as they created their own landscapes in a similar style to the one from the book. The work produced was exquisite! Year 3 children joined an online workshop with Swapna Haddow and Sheena Dempsey and were given lots of tips for creating their own stories. Year 4 children participated in an online quiz, 'The Great Big Footy and Booky World Book Day Quiz,' hosted by footballing heroes.

Year five and Year six took part in a variety of activities for World Book Day. The Year 5 children welcomed Year one and Year two children to their classrooms for a book morning where the Year 5 children read a collection of their favourite books to them. During the read, the Year fives served them juice and biscuits. Afterwards, the Year five pupils enjoyed a well-earned hot chocolate and biscuit while they read their own books. Big smiles and a love for reading was shown throughout!

Also, the Year fives and Year sixes took part in the World Book Day Footy-Booky quiz online hosted by the Literacy Trust and the Premier League Primary Stars. Year five and six enjoyed being introduced to the book called *The Viewer* by Shaun Tan and, using the book as inspiration, produced some great writing and beautiful art work. Finally, the Year sixes took part in an online workshop hosted by Frank Cottrell Boyce who wrote the *Unforgotten Coat* -a book the children based a lot of writing on when they were in Year 5.
